8th grade families pay an extra \$240.00 per school year for graduation expenses. 8th grade fees will be added to family tuition costs for the year. If you have automatic withdrawal (ACH) for twelve months this equals \$20.00 per month in addition to the appropriate tuition rate listed above.

Checks returned for insufficient funds and automatic withdrawals that are refused due to insufficient funds are subject to a fee assessment. This includes payments to After School Care, the lunch program, any fundraising activities, and tuition collection. If funds are not available, your signature below authorizes us to attempt three additional ACH withdrawal attempts.

Your family's tuition agreement must be signed and returned before your child/ren will be considered registered for classes. Your signature below certifies that you accept the tuition rate CHECKED ABOVE and agree to meet your tuition obligation on time.
